

We are not sure if our Ontario guests are aware of the "Staycation Tax Credit" that our Provincial Government has implemented to promote Ontario residents to travel in Ontario, but here is some information for you to read and hopefully make use of.

We are looking into this to see what needs to be done on our part to make this process easier for you to claim your stay(s) with us on your year end income tax.

"The temporary Ontario Staycation Tax Credit for 2022 aims to encourage Ontario families to explore the province, while helping the tourism and hospitality sectors recover from the financial impacts of the COVID-19 pandemic.

Ontario residents can claim 20% of their eligible 2022 accommodation expenses, for example, for a stay at a hotel, cottage or campground, when filing their personal Income Tax and Benefit Return for 2022. You can claim eligible expenses of up to \$1,000 as an individual or \$2,000 if you have a spouse, common-law partner or eligible children, to get back up to \$200 as an individual or \$400 as a family.

The credit will provide an estimated \$270 million in support to about 1.85 million Ontario families."
